

Meeting Minutes

Date: April 15th, 2020

Time: 10:30 – 11:00

Location: Online via Microsoft Teams

Week 9

Topic 1: Showcasing the work we've done since last week

- Until next week we can improve it and show it during calibration session
- We need to start working on Sequence Diagrams

Topic 2: Showcasing Class Diagram

- No feedback about class diagrams (as long as it works, it works)
