

Meeting Agenda

Date: Mar 10, 2020 **Time:** 09:30 am **Location:** R1_3.98

Topic 1: Requesting feedback on some URS sections:

- Non-functional requirements.
- Functional requirements.
- UI sketches.

Topic 2: Requesting feedback on iteration plan 1.

Topic 3: Misc.

- WPF or Windows forms?
- Is the work division report done per iteration or for the whole project?
- Should the user be able to change singular traffic sign's greenlight timing? Or should they be able to change the timing for the whole simulation?
