

Meeting Minutes

Date: June 10th, 2020

Time: 10:30 – 11:00

Location: Online via Microsoft Teams

Week 16

Topic 1 : Discussing progress within the application

- It's good so far. We need to focus on fixing bugs.

Topic 2 : Questions about the final presentation

- We can show a recording of our application
- Each person in the group must speak for at least one minute

Topic 3: Questions about the process report

- We need to divide the challenges we have faced, the decisions we made and work division per iteration
