Meeting Minutes

Date: June 3th, 2020   **Time:** 10:30 – 11:00   **Location:** Online via Microsoft Teams

Week 15

Topic 1 : Showcasing work progress

- Good so far
- You can improve the GUI of the application (Parallel library)

Topic 2 : Showcasing Unit Testing

- Done really well
- We shouldn't focus on manual testing; the automated testing is the most important

Topic 3: Requesting feedback on test document

- Good enough
