Meeting Minutes

Date: March 24h, 2020   **Time:** 10:45 – 11:00   **Location:** Online via Microsoft Teams

Week 6

Topic 1: Discussing the Design Pattern for the Code
- Process report : specify that we tried a design pattern but it didn't work , specify the challenges encountered

Topic 2: Showcasing the basic UML structure
- It's okay but it is not complete
- We can use a Mediator in our application
